Amarr® Horizon

Construction

ALUMINUM HO1000

An Amarr Horizon HO1000 multiview door offers unique styling to match any modern architecture.

- Extruded aluminum frame provides durability, low maintenance and corrosion resistance
- Tongue and groove section joints provide additional protection against the elements
- ClearView Aluminum Strut System does not restrict viewing area and adds strength and durability
- Equal glass heights in all sections of a door
- Glass expands up to 8'2" wide
